### **URGENT NOTICE TO GPW e-Gazettes CUSTOMERS**

Please note that we are currently experiencing a server shut down which has disabled the gazette system's ability to receive external emails, including the submission of notices.

This challenge also affects the Contact Centre's ability to receive quotation requests for notices to be published in the government gazettes.

Our IT team is working hard to solve this problem as soon as possible.

We humbly apologize for the inconvenience

For any further questions or comments regarding this matter, please contact us at 012 748 6200 or email [info.egazette@gpw.gov.za](mailto:info.egazette@gpw.gov.za)
